Commissioner for Patents

The board has requested information regarding the polyurethane of SU-9182 of Stahl Holland B.V. of Waalwijk Holland and polyurethane SU-9182 of Firma. The board found it unclear whether the two products are the same and that the mere attorney assertion is not sufficient without any supporting objective evidence. Please provide a certified english translation of "polyurethane of SU-9182 of Stah Holland B.V. of Waalwijk Holland and polyrethane SU-9182 of Firma".
